Permit Fee Calculation Worksheet For Open Construction UDC Modular Homes 2011-2013

* Base Permit Fee **** \$854.33**

Finished Area over 800 Square Feet _____ X **\$0.07** = _____

*** Unfinished Area(s) _____ Sq. Ft. X **\$0.06** = _____

Permit Seal **30.00**

Total Permit Fee _____

* Base Permit Fee For Open Construction UDC Modular Homes is \$854.33. Finished areas of the dwelling are included in the permit fee.

** \$30 of the Base Permit Fee is forwarded to the Wisconsin Department of Safety and Professional Services for processing the Wisconsin Uniform Building Permit Application.

*** Unfinished Areas Include: Attached Decks, Attached Garages, Unfinished Basements, Patios, Balconies, Breezeways, and Porches.

The permit fee is based on a maximum of 8 inspections being requested for homes with electrical systems, HVAC systems, and plumbing systems or any combination of these systems. Any inspection requests or mandatory re-inspections beyond 8 will be charged to the permit applicant at the rate of the fee schedule in effect at the time the inspection request or mandatory inspection is conducted. The fee for any inspections beyond the maximum allotted will be charged at a rate of \$91.59 per inspection. The fee for additional plan reviews are charged at a rate of the original plan review fee. For further information regarding this policy refer to the Uniform Notice to Permit Applicants forwarded when the permit for this project was issued.

ALL INSPECTION FEES ARE DUE PRIOR TO THE INSPECTION REQUEST OR MANDATORY INSPECTION BEING CONDUCTED.
